

**PUNTEO®-P120**

# PUNTEO®-P120

## Modern and powerful recessed luminaire with LED

PUNTEO®-P120 can be used in various ways and is very energy-efficient. The recessed luminaire is equipped with modern LED technology. In addition the low installation depth of PUNTEO®-P120 allows subsequent interior design.

### Technical details

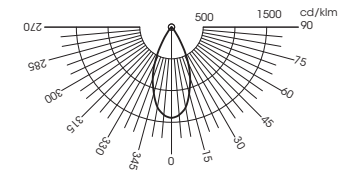

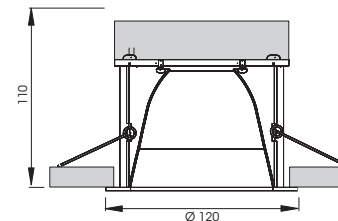

Article number: PUN P120-018W3-01  
Supplied voltage: 20W  
Light output: 16W | 3000K | RA 85  
LED: Array, elements replaceable  
Efficiency: 80%  
Light technology: Symmetric  
Material: Installation ring painted silver  
Installation height: 110mm  
Ceiling opening: Ø110mm  
Power supply located in the ceiling void

### Benefits

- Heat is not radiated into the room, but into the ceiling void
- Arbitrary colour of the cover ring
- Low installation height
